

Dear Hartford Faculty Scholars Cohort XI,

I hope you had a great summer and have completed the revisions on your Hartford Project so that it will be ready before the October Institute.

The Institute, as you know, is scheduled from Friday October 8th – Sunday, October 10th. On Sunday, October 10th, we are planning to have 20 minute presentations from each of you during sessions which are called “Research Consultations.” During these sessions you will be presenting your research to each other as well as to the National Research Mentors and our Hartford Staff.

Below you will find an outline which we want you to follow when you give your presentation. You will notice that we asked you to briefly present your research questions and proposed methodology, and then we want you to raise questions for the audience to discuss. Please note that we allow only ten PowerPoint slides plus one title slide. You should bring a flash drive with your PowerPoint slides to the meeting. There will be time on Sunday morning to upload your slides.

I am really looking forward to seeing you all very soon!

Warm wishes,

Barbara
